Blow-Molded Plastic Pallet

Size: 107 × 107 cm

Product Code: TBC

Material

HDPE (Virgin / Recycled Grade as per customer request)

Process

Blow Molding

Dimensions

1070 × 1070 × 140 mm

Weight

10.5 – 11.0 kg approx.

Handling

4-Way Handling / 9-Foot Base

Color

Black (or as per customer request)

Load Capacity

Recycled Grade: Static 2.5 Tons / Dynamic 2.0 Tons

Virgin Grade: Static 5.0 Tons / Dynamic 4.0 Tons

Applications

- Warehousing
- Logistics
- Storage
- Distribution

Features

- ✓ Durable & Reusable
- ✓ Anti-Slip Surface
- ✓ Stackable Design
- ✓ Suitable for Industrial Use

Customization

Available upon request

Product Highlights

✓ 1070 × 1070 × 140 mm
✓ 9-Foot Base Design
✓ Textured Anti-Slip Deck

Note: Load capacity depends on raw material grade, handling conditions, and load distribution.
